### **Location:**

The property is situated adjacent to Carr Lane, off Head Dyke Lane at Pilling. The land is easily accessible from Blackpool, Fleetwood and Garstang and is within reasonable travelling distance of Junction 33 of the M6 Motorway.

### **Description:**

The property comprises a modern American Barn together with 4.03 acres fertile pastureland.

The 60' x 30' Barn has been constructed within the last 18 months to an extremely high specification. It has a concrete floor, breeze block and ventilated sheet walls and a sheet roof. There is a secure door at either end, providing optimum security, with the construction allowing plenty of ventilation. The stalls are 'IAE interior partitions' and run down one side of the building providing four spacious 15' x 15' stalls and a large storage area. There is also a set of IAE stocks, which can be left, should the purchaser so wish.

The stalls benefit from rubber matting and automatic water bowls. The barn has both strip lighting and low lighting inside and security lights outside. Services comprise mains water and electric.

There is a static caravan on the site which currently has planning permission for day use only. There is also a hard standing area where the caravan lies and to the rear of the barn.

The land comprises fertile pasture, and the exterior fences are in good condition. There is a connection allowing an electric fence to be connected to the mains electricity supply along the roadside fence.

We are not aware of any rights or easements over the land, however, prospective purchasers are advised to satisfy themselves of this.
